

Principal's Report

As we conclude another busy and rewarding term, I would like to take a moment to thank our students, staff and families for their ongoing commitment to making Glengala Primary School a place where everyone can learn, grow and thrive.

This term has been filled with exciting learning opportunities, swimming programs, excursions, special events and many moments where our students have proudly demonstrated our PROUD values. It has been wonderful to see students embracing challenges, supporting one another and striving to do their best every day.

I would like to sincerely thank our staff for their dedication, care and unwavering focus on student success. I also extend my gratitude to our families for your continued support and partnership throughout the term. As we head into the holiday break, I encourage everyone to take the opportunity to rest, recharge and spend time with family and friends.

Have a safe and enjoyable holiday and we look forward to welcoming everyone back for an exciting and productive Term 3. Stay PROUD!

Holiday Wellbeing Tips

😊 10 Minutes Makes a Difference
Children don't always need a big outing they need connection.

Try spending just 10 uninterrupted minutes each day:

- 🎮 Play a game
- 📖 Read a book
- 🚶 Go for a walk
- 🎨 Draw together
- 💬 Chat without screens

Congratulations 3/4 who earned the most dojo points over the last 2 weeks with - 2505 points!

Curriculum

Semester One reports are available

Families are provided an opportunity to celebrate progress and growth across the first half of the year.

Parent-Teacher Conferences will be held early in Term 3 and offer an important opportunity for families and teachers to work together in supporting each child's learning journey.

Kindergarten

Cooking at Kinder

This week, the children enjoyed making vegetable quiches. We practiced cutting up all the vegetables, helping to strengthen their fine motor skills and hand-eye coordination. The children worked together to prepare the ingredients, explore different vegetables, and follow the recipe. They were very proud of their delicious quiches and excited to taste what they had made. It was a fun, hands-on learning experience that encouraged independence, teamwork, and healthy eating habits at Glengala Kindergarten.

Respect on our community

At our school, we believe children do their best when families and school staff work together. We ask everyone in our school community to treat each other with respect, kindness and understanding.

We can help our children by:

- Speaking politely and respectfully.
- Listening to each other.
- Staying calm when discussing concerns.
- Working together to support student learning and wellbeing.
- Being positive role models for our children.

If you have a concern:

We encourage you to speak with your child's teacher first or a member of the leadership team. We are committed to listening to your concerns and working together to find a positive solution.

To help us work together, please:

- Speak respectfully with school staff.
- Arrange a meeting if you need time to discuss an issue.
- Remember that we all want the best outcome for your child.

Each person helps to make school a safe place.
Thank you for helping us create a safe, respectful and welcoming school community where every child can learn and thrive.

BEFORE AND AFTER SCHOOL SUPERVISION

Student safety at Glengala Primary School is our highest priority. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8:35am

After school: School grounds are supervised until 3:25pm

Please note that school gates are opened and closed in line with these supervision times to ensure the safety of all students.

Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity). Families are encouraged to contact Kelly Club on 0423 795 982 or glengala@kellyclub.com.au for more information about the before and after school care facilities available to our school community.
