

Principal's Report

The past fortnight has reflected what it truly means to be PROUD at Glengala. Across the school, students continue to demonstrate our values – being Passionate about their learning, Respectful to others, Open to Learning, Understanding of expectations and Driven to improve each day. Our ongoing focus on attendance remains critical. Every day at school matters. When students attend consistently, they are better connected, more confident and achieve stronger learning outcomes. Thank you to families who are prioritising regular attendance and communicating with us when needed. We have also seen continued improvement in uniform pride. Wearing the correct uniform builds a strong sense of belonging and reflects our collective commitment to high standards. In classrooms, our high expectations for learning remain clear. Teachers are explicitly teaching, monitoring progress and challenging students to think deeply and strive for their personal best. It has been wonderful to see students rising to these expectations. Thank you for working in partnership with us to maintain a strong, PROUD culture at Glengala.

Wellbeing

This term, we are relaunching our PROUD values. PROUD supports our SWPBS expectations of being Respectful, Responsible and Safe. PROUD helps students understand the values behind their behaviour and learning. Last week we focused on Passionate. Students talked about about being Passionate looked, sounded and felt like. Each class worked together to write their own sentence about what Passionate looks like in their classroom. We are very proud of how students shared ideas and worked as a team.

Curriculum

We are excited to invite families into our classrooms for our upcoming Learning Celebrations on:

Wednesday 11th March from 2:30pm – 3:10pm

This special time gives students the opportunity to share and celebrate the learning they have been working so hard on throughout the term.

We are looking forward to welcoming parents and carers into our learning spaces to see the wonderful progress being made.

We hope you can join us to celebrate our students' achievements and the enthusiasm they bring to their learning each day!

BEFORE AND AFTER SCHOOL SUPERVISION

Student safety at Glengala Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8:35am

After school: School grounds are supervised until 3:25pm

Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Kelly Club on 0423 795 982 or glengala@kellyclub.com.au for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements, contact the school directly.

For a copy of our school's Yard Duty and Supervision Policy please refer to our website. This policy includes Glengala Primary School's student supervision arrangements across the school day, including before and after school.

Uniform at Glengala

At Glengala, our school uniform helps create a sense of belonging and pride for all students. This guide shows what our school uniform looks like and explains how families can support their child to be in uniform each day.

Tops

Shirt - Light blue with or without school logo or navy with school logo
Jumper/jacket - Navy with or without school logo
Dress - Navy and white checked with or without school logo

Pants, short and skirts

Navy with or without school logo

KELLY CLUB GLENGALA UPDATE

What's been happening...

Hi Lovely Families,
 Last week at Kelly Klub, children took part in activities that used the children's creative skills and test some science related activities! We built things using interactive play, observed chemical reaction, used coordination and teamwork skills to participate in a relay, tasted some delicious foods and even designed our own super creatures to end the week!

KELLY CLUB
TALK TO US ABOUT CHILDCARE SUBSIDIES!
 Since July 2023, more families have qualified for childcare subsidies as rates and thresholds increased.
ENROL NOW www.kellyclub.com.au

This week at Kelly Club, children took part in activities that supported their self-identity and cultural awareness by celebrating Lunar New Year! Children participated in and experienced celebrating a different culture through cooking, games, art and craft and discussions.

As always the week also included plenty of structured free play, indoor and outdoor activities, snack time, homework/quiet time and opportunities for children to explore their interests and connect with friends.

We're looking forward to another fantastic week at Kelly Club Glengala!
