Principal's Report

It has been another positive fortnight at Glengala Primary School, with students continuing to demonstrate our PROUD values in their learning and interactions.

Attendance - Regular attendance supports student success. Thank you to families for ensuring students attend school each day they are well and ready to learn.

Interschool Sport - Our Interschool Sport program has been a highlight, with students proudly representing Glengala and demonstrating teamwork, perseverance and great sportsmanship.

Student Leadership - Congratulations to our newly appointed School Captains. We look forward to their leadership and contribution to our school community.

School Council - Thank you to our newly formed School Council members for supporting the direction and partnership of our school.

NAPLAN Reminder - NAPLAN for Year 3 and Year 5 students will begin soon. We encourage students to simply do their best.

Thank you to our students, staff and families for continuing to live our PROUD values each day.

Wellbeing

Wellbeing Dog

We are excited to welcome our school wellbeing dog Florence back to school next week! Florence is a 3 year old Cavoodle who loves being around people. She enjoys pats, walks and playing fetch.

Florence's role in our school is to:

- Provide emotional support to students
- Help build positive relationships
- Encourage empathy and responsibility
- Promote social interaction and communication

Activities with Florence will only occur for students who have returned their permission form.

Curriculum

Mathematics

Students have been completing a Daily Review in their learning space. This means they are answering maths questions on concepts they have already learned as a maths warm up, showing recall of the topics that have been covered. Students have been working really hard in 3-6 to solve worded math problems. They have been making sure to 1. Read the whole question, 2. Underline and work out the meaning of important words 3. Eliminate wrong answers if it is multiple choice and 4. Choose the best answer. We wish all students completing NAPLAN tests in Week 7 success in showing their great thinking!

Clean Up Australia Day & Sausage Sizzle

On Friday 27th February we had a wonderful day as a school community! Together, we rolled up our sleeves for our Clean Up Australia Day activities, enjoying a sausage sizzle and finished with icy poles.

It was fantastic to see our school values on display throughout the day, as we worked side by side showing Passion, Respect and pride in our environment.

Thank you to Kelly Club for their support with the BBQ and for helping us make the day such a memorable one.

BEFORE AND AFTER SCHOOL SUPERVISION

Student safety at Glengala Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8:35am

After school: School grounds are supervised until 3:25pm

Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Kelly Club on 0423 795 982 or glengala@kellyclub.com.au for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements, contact the school directly.

For a copy of our school's Yard Duty and Supervision Policy please refer to our website. This policy includes Glengala Primary School's student supervision arrangements across the school day, including before and after school.

Uniform at Glengala

At Glengala, our school uniform helps create a sense of belonging and pride for all students. This guide shows what our school uniform looks like and explains how families can support their child to be in uniform each day.
