

Principal's Report

What a significant and proud week it has been at Glengala Primary School. We recently completed our School Review an important milestone that celebrates our progress and helps shape our next steps. Thank you to our staff, students and families for the way you engaged in this process. Visitors noted the strong sense of belonging and calm, purposeful learning environments across our school something we should all be incredibly proud of.

NAPLAN has also commenced for our Year 3 and 5 students. While the national rollout didn't quite go to plan (technology had other ideas!), our students showed great resilience and simply got on with it.

A reminder that there is planned industrial action next week. Please ensure you have read the important communication sent home regarding the impact on school operations.

Our PROUD values continue to guide everything we do.

Thank you for your ongoing support.

Wellbeing

GOLD LEVEL ACHIEVEMENT

We are proud to share that our school has been awarded GOLD in School-Wide Positive Behaviour Support (SWPBS) for 2025!

Through SWPBS, we focus on building positive behaviours, strong relationships and a consistent approach across our whole school.

This achievement belongs to our entire community our students, staff and families who bring these values to life every day.

Curriculum

Reading

It has been wonderful to see so many students bringing their reading satchels everyday. Teachers routinely check their nightly reading diaries and the huge improvement in this is amazing! Please keep up your hard work reading with your children at home, every minute of reading counts. We love how Driven our school community is when focusing on reading at home too.

Botanic Garden Excursion

April

Thursday 2nd April - Last day of term 1 - 3:15 pm
finish time

Monday 20th April - First day of term 2

Please check Compass for
excursion consent and payments.

Celebrations

We were delighted to welcome our families into classrooms for our Learning Celebration last week. It was a wonderful opportunity for students to proudly share their work and demonstrate their learning.

Classrooms were filled with smiles, excitement, and meaningful conversations as students guided their families through their achievements.

We are so grateful to all the families who joined us and helped make this event so special. Moments like these truly highlight our PROUD connection with school and home.

Notices

BEFORE AND AFTER SCHOOL SUPERVISION

Student safety at Glengala Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8:35am

After school: School grounds are supervised until 3:25pm

Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Kelly Club on 0423 795 982 or glengala@kellyclub.com.au for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements, contact the school directly.

For a copy of our school's Yard Duty and Supervision Policy please refer to our website. This policy includes Glengala Primary School's student supervision arrangements across the school day, including before and after school.

Every Day Counts

The importance of regular school attendance.

At **Glengala Primary School**, we prioritise regular school attendance. We will work with families to ensure students are in class with their peers and teachers and enjoying all the benefits that brings.

Attending school every day means experiencing what counts – the learning, friendship, fun and opportunities that can shape your child's future.

Last in **2025** students at our school missed on average **31** days of school. This equates to **6 weeks** over one school year and **2 years** across their primary and secondary schooling.

We understand that there are times when your child will need to miss school but to ensure minimal disruption to their education, please consider scheduling family holidays or medical/dental appointments outside of school time. If your child is well enough to attend but is worried about friendships, schoolwork or exams, please encourage them to come to school. Avoiding school can make these feelings worse and can create a negative pattern of behaviour.

If your child is having difficulty attending school, talk to their teacher about getting support.

We know that parents and carers can be juggling challenges daily to get your children to school. If your child must miss school, notify us as soon as possible via **Compass** so we can work together to support them.

For more information about the importance of everyday attendance, see [Attendance and Missing School](#). Remember, **Every Day Counts**.

Kelly Club Glengala Holiday Program

Kelly Club Glengala is excited to announce our action-packed April Holiday Program! Across two fun-filled weeks, children will enjoy a fantastic mix of excursions, incursions, and creative "Create & Take" activities designed to keep them engaged, active, and inspired.

Excursions

Students will head out on exciting adventures, including a trip to Village Cinemas Sunshine for a big-screen movie experience, and a high-energy day at AFL MAX where they can train like the pros, practise their footy skills, and take part in fun challenges.

Incursions

We're bringing unique experiences directly to the service! Highlights include Dream City, where children explore virtual reality in an interactive environment, and an Air Brush Art session where they can create colourful, hands-on masterpieces.

Create & Take Activities

Children will love getting creative with activities like Fidget Frenzy, where they design their own fidget spinner and cook themed pizza, and our 5 Senses day, filled with fun, discovery-based learning they can take home and share.

Themed Days

There's even more fun with special themed days including a Hawaiian Luau, Eggstravaganza (with water play—don't forget a change of clothes!), and Foodie Friday.

Our program offers a safe, supportive environment led by our experienced and enthusiastic team, delivering engaging experiences and great value for families.

Bookings are essential, and excursion and incursion days fill quickly.

Location: Kelly Club Glengala
