## Principal's Report

As we move through Week 4, I would like to take a moment to acknowledge Mother's Day and recognise the important role that mothers, grandmothers, carers and special people play in the lives of our students and school community. We hope all of our families who celebrated had a wonderful day together.

Thank you to everyone who attended our Mother's Day/Special Person Morning Tea last week. It was fantastic to see such a wonderful turnout and to witness the joy shared between students and their special guests. Events like these are a wonderful reminder of the strong sense of community that makes Glengala Primary School such a special place.

## Wellbeing

### Sleep!

Did you know Primary school children need 9–12 hours of sleep?

Bedtime between 7:00pm–8:30pm is recommended.

Children who sleep well can focus better, feel calmer, and are more ready to learn at school.

### Tips

1. Turn off screens (TV, tablets, phones) at least 1 hour before bed.
2. Read a book or listen to quiet music before sleep.
3. Make sure bedrooms are quiet, dark, and comfortable for sleep.

## Curriculum

### Book Fair Monday 18th May 2026

Our exciting May 2026 Bookfair commences next Monday 18th May, in the Hall at 3:15pm–3:30pm.

The fair will be open each day from 8:35am – 8:50am and at 3:15pm – 3:30pm. It will close on Friday 22nd May.

There will be special items (pens, pencils, erasers, posters) and books that can be purchased starting from \$2.

Please come into the Bookfair with your child and have a look at the great selection.

## Kinder

This week at Glengala Kindergarten, we have been learning and reading all about Australia's First Nations peoples. The children worked on their fine motor skills through cutting, painting, and creating their own Aboriginal and Torres Strait Islander flags using recycled cardboard and materials, which are now displayed in our room. During the week, we also began exploring musical instruments as part of our music program. Sitting together with our educator Lilli, the children enjoyed experimenting with different sounds, singing songs, and discovering rhythm through music and movement.
