Principal's Report

It has been wonderful to see students continuing to demonstrate our PROUD values across the school through their positive engagement, respectful behaviour and involvement in learning and school events. A continued focus for the school has been reinforcing the importance of students being at school every day. Regular attendance has a significant impact on student learning, wellbeing and connection and we thank families for their ongoing support in this area.

Our recent Book Fair was a fantastic success and created a great sense of excitement around reading across the school community. Thank you to all staff, families and students who supported the event. There has also been a great deal happening across the school, with excursions, incursions and special events providing valuable learning opportunities and helping students build connection and engagement beyond the classroom.

Over the coming weeks, students in Years 4–6 will participate in the Attitudes to School Survey. This survey provides important feedback around student wellbeing, engagement and school climate and assists us in shaping future school improvement priorities.

Wellbeing

Each fortnight in buddies we have a positive behaviour focus and lesson – We have been focusing on –

“I communicate if I am feeling angry/ frustrated/ unsafe”

Congratulations 4/5

who have earned the most dojo points over the last 2 weeks with
– 1,939 points!

This week, all students visited the Dojo Shop to spend some of their points. Well done on all your hard work—it is wonderful to be rewarded for your efforts.

Curriculum

Helping Students at Home

A regular homework routine makes a big difference. Setting a consistent time and place for learning helps build good study habits and reinforce what they learn at school.

No homework?

Reading together is a great way to support language development and grow vocabulary.

Simple reading tips:

- **Listen** to your child read regularly, even for a few minutes each day.
- **Talk** about books and discuss the meaning of stories and new words.

Kinder

This week at Glengala Kindergarten, the children enjoyed a very exciting incursion called The Lizard Wizard!

They met and learnt about a Blue Tongue Lizard, Shingleback Lizard, Bearded Dragon, pythons big and small, a turtle, scorpion, and even a sugar glider.

Children learnt about the animals' habitats, characteristics, and how they survive in the wild. They were able to touch, hold, and carry some of the animals.

The children showed great curiosity and bravery.

Celebrations

Publishing Party Celebration 📖 ✨

Our students were thrilled to share their published work with parents and families during our Publishing Party. It was a wonderful opportunity to celebrate creativity, hard work and growth as young authors. Thank you to all the families who joined us to support and encourage our students. We are incredibly PROUD of their efforts and achievements!
