Principal's Report

As Term 3 comes to a close, we have plenty to celebrate at Glengala! We are PROUD of our students and the ways they continue to be Passionate, Respectful, Open to learning, Understanding and Driven. Thank you to our staff and families for supporting their learning and wellbeing throughout the term.

Our campers have had a wonderful time, making memories, trying new activities and enjoying time together. Camp provides valuable opportunities to build independence, strengthen friendships and show our PROUD values. A big thank you to the staff who supported this experience!

Hats ready for Term 4 – Please ensure your child returns next term with their school sun-safe hat, clearly labelled with their name. Hats are required for outdoor activities in Term 4, so the holidays are a great opportunity to check that yours is ready to go.

Every Day Counts – Every day at school is an opportunity to learn, connect and grow. Thank you for making regular attendance a priority right through to the end of term. Returning on the first day of Term 4 will help students settle into routines and finish the year strongly.

I wish all our families a safe and relaxing holiday break. Enjoy time together, make space for some reading and outdoor fun, and take the opportunity to recharge. We look forward to welcoming everyone back for a positive Term 4!

Wellbeing

A Positive Start to the School Day

Our goal is for each student to have 90% or higher attendance, and we have been working closely with families to support every student to attend school every day.

We are also creating lots of ways for students to have a positive start to their school day including Breakfast Club on Mondays, Cheese Toasties on Wednesdays and our new Walking School Bus on Tuesdays.

See the information below and register to walk with us. We would love to see you there!

Kindergarten

This week, we enjoy an awesome art experience with Gabby in the Primary School Art Room.

The children explored a variety of art techniques using watercolours and oil pastels to create beautiful artworks inspired by their "Special People." It was wonderful to see the children express their creativity and bring their special people to life through colour, shape and imagination.

The children were very proud to see their artworks later displayed in the Primary School Assembly Hall as part of the school's Art Display. It was a fantastic opportunity for the children to share their creativity. A big thank you to Gabby for providing such a fun and inspiring art experience for the children!

Curriculum

Alongside our History and writing learning, we have also been developing our spelling knowledge. Our learning intention has been to understand that g can make the /j/ sound and c can make the /s/ sound when followed by e, i or y. To help make this rule memorable, the children had great fun creating their own 'Gentle Cindy' pictures as a visual reminder of how to apply this new knowledge. It has been fantastic to see the children incorporating their new spelling knowledge into their writing and becoming increasingly confident in applying the rule independently.

To finish off a wonderful week, we thoroughly enjoyed our excursion to St Kilda today to see The Green Sheep! The children had a fantastic time and loved experiencing the story come to life. It was a wonderful opportunity to connect with a much-loved text in a fun and engaging way, and the excitement and enthusiasm from the children made the day extra special.

What a busy and exciting week of learning, exploring and creating! We are incredibly proud of the children's enthusiasm, curiosity and effort.

What is it?

A Walking School Bus is a healthy and safe way for our students to walk to school. It is not a real bus but powered by our legs children can walk to school with two adult leaders (one 'driver' and one 'conductor') along a set route between their homes and school. Children can join the bus at any point along the highlighted route to school. All children and families are welcome to join!

Safety

- It is the parents/carers responsibility to have their child join the bus safely at the starting point or along either route.
- If you miss the walking start time students will need to make their own way to school.
- Students will stay on footpaths and use safe crossings.
- Misbehavior may mean that students cannot use the Walking School Bus.
- If we have extreme weather we will cancel the walking school bus and notify families through Compass.
