

Principal's Report

It has been wonderful to see our students settle into Term 3 and continue demonstrating our PROUD values in their learning, friendships and choices each day.

This week, we warmly welcome Lauren to the Glengala Primary School community. Lauren has been working with our Grade 1/2 students over recent weeks and has now joined us for the remainder of the year. She brings enthusiasm, care and a genuine commitment to getting to know every child. We are delighted to have her as part of our team and know our students and families will make her feel very welcome.

Across the school, our students are being encouraged to be Passionate, Respectful, Open to Learning, Understanding and Driven. These values are not simply words displayed around our school...they guide how we learn, work together and contribute to our community. I have been particularly impressed by the way students are approaching their learning with growing confidence and persistence.

Regular attendance remains essential. Every day at school gives students valuable opportunities to learn, build friendships and feel connected. Thank you to our families for ensuring children arrive on time and attend every day they are well enough to do so.

As we move further into the term, we look forward to continuing our strong partnership with families and celebrating the many ways our students make us PROUD.

Curriculum

1/2A

Students have been learning how to use descriptive language and different structures to write poetry.

4/5A

Students have been learning to solve multiplication of larger numbers. We have looked at the area model, associative properties (the order of multiplication does not matter) and the algorithm.

Wellbeing

In two weeks we are recognising No Bullying Week and reminding students that everyone deserves to feel safe, included and respected at school.

Students will learn about bullying, kindness and being an upstander during their Buddies session, building skills to support others and help make Glengala a safe and welcoming community.

Congratulations 4/5

who earned the most dojo points over the last 2 weeks with - 2061 points!

Kindergarten

This week, the children enjoyed learning about healthy eating through a fun sandwich-making experience. Our primary school leaders visited to help butter bread and choose healthy fillings, while supporting the children to build confidence, independence, and positive relationships. We also welcomed a dentist who taught the children about the importance of caring for their teeth and gums. Some children even received a special dental check-up, helping reinforce the importance of healthy eating and good oral hygiene.

KELLY CLUB GLENGALA UPDATE

Dear Kelly Club Glengala Families,

We hope you've all had a wonderful week!

This week, our children had a fantastic time during our **Week 4 – Staff Choice!** program. They enjoyed a variety of educator-selected activities, including **Nature Detectives**, **Friendship Bracelets**, **Pasta Meatballs**, and plenty of exciting games such as **Capture the Flag**, **Freeze Dance**, and **Simon Says**. It was wonderful to see everyone building friendships, developing new skills, and having so much fun together.

Looking Ahead – Week 5: Reduce, Reuse, Recycle! ♻️

Next week, we'll be exploring sustainability through fun and engaging experiences. Children will create **Recycled Animals**, build **Cardboard Robots**, participate in **Recycling Chaos** and **Recycling Relay**, bake **Homemade Cookies**, and finish the week by making delicious **Green Smoothies**. With plenty of games, crafts, cooking, and hands-on learning, it's sure to be another exciting week at Kelly Club.

We look forward to welcoming everyone back for another week of fun, learning, and adventure!
