Principal's Report

It's hard to believe we are already in Week 8 and approaching the end of Term 3! As we head into these final weeks, we continue to encourage our students to demonstrate our PROUD values: Passionate, Respectful, Open to learning, Understanding and Driven. Every day brings opportunities to show kindness, embrace a challenge and take pride in our learning.

We are also looking ahead to 2027. Families will soon receive a short survey to confirm their plans for returning to Glengala next year. This information is important in helping us plan our classes, staffing and budget to best support our students. Please take a few minutes to complete it when it arrives, even if your child will be returning as usual.

Thank you for your ongoing support and partnership. Let's finish Term 3 feeling PROUD of our efforts and our school community!

Wellbeing

Every Day Counts!

Being at school every day is an important part of your child's learning, wellbeing and sense of belonging. Regular attendance helps children stay connected to their friends, teachers and school community.

Our goal is for **every student to achieve 90%** attendance or higher across the year. As part of our support, we will start a walking school bus on Tuesdays in term 4.

Let's work together to make every school day count!

Congratulations 3/4
who earned the most dojo points
over the last 2 weeks with
- 1389 points!

Kindergarten

What a busy and exciting week we have had! At the kindergarten we had a very special visitor from the museum who brought along some big dinosaur bones and fossils. We learnt lots of fascinating things about dinosaurs, it was so much fun to learn, explore and discover together!

We can't forget our wonderful dads and special people in our lives! We celebrated with a special Father's Day event, enjoying afternoon tea, sharing books and having lots of fun playing sports out on the school oval. It was a lovely afternoon spent together, creating special memories.

Happy Father's Day for Sunday! 😊

Curriculum

Foundation

Last week we celebrated book week! We were so excited to see all the amazing characters that everyone dressed up as. It was wonderful to visit everybody's classroom and read the amazing CBCA picture book winners for 2026. We all completed our bookweek passport and even brought home some puppets created after reading the book Bob and Dob.

Emily's favourite thing was reading some new books especially the Broccoli book! Maverick's favourite part of the day was the parade with his raining cats and dogs outfit.

Lua loved going to all the different classrooms and reading with everybody. It was a great day!

Notices

Council Parking Checks Around Our School

The Council has been checking parking around our school and taking photos of vehicles that are not parked within designated parking signs.

Please take extra care when dropping off and picking up your children and do not park or stop across crossings or designated crossing areas.

Keeping these areas clear helps children and families see approaching traffic and cross safely.

Thank you for helping us keep everyone safe around our school.

Celebrations

Year 6 – 7 Transition Program

Our Year 6 students have been enjoying their transition sessions at Sunshine College!

They are becoming familiar with secondary school life so far, they have been learning how to read and navigate timetables and have even enjoyed a hands-on cooking class. It has been fantastic to see our students embracing these opportunities, building their confidence and getting ready for the exciting step into secondary school!

🌊 Week 9 – Deep Blue Sea!

Next week at Kelly Club Glengala, we'll be diving into our exciting "Deep Blue Sea!" theme! 🌊
 The children will enjoy a range of ocean-inspired activities designed to encourage creativity, movement, exploration and teamwork. Highlights include Layers of the Ocean discovery, Crab Football, Ocean Fossil Cookies, Egg Carton Turtles and the fun-filled Seaweed game. Our children will also enjoy ocean playdough, flag making, finger painting, target practice, homemade pikelets and plenty of fun group games throughout the week. We look forward to an exciting week of learning, creating and exploring the wonders of the deep blue sea together! ❤️🌊🐠

🍓 FAMILY RECIPE CONTRIBUTIONS

We would also love to invite our Kelly Club children and families to get involved in helping us develop some exciting new breakfast and afternoon tea ideas!

We are asking families to contribute their favourite breakfast or afternoon tea recipes that could realistically be prepared here at Kelly Club and align with Nutrition Australia guidelines.
