Assistant Principal's Report

Welcome back to Term 4! I hope all our families enjoyed a restful break and had the opportunity to spend quality time together. As we begin our final term of the school year, we look forward to another positive and productive term of learning, growth and achievement. Term 4 is an important opportunity for students to reflect on how far they have come, celebrate their successes and continue striving towards their learning goals.

As we return, we will revisit our school values of PROUD – Passionate, Respectful, Open to Learning, Understanding, and Driven. These values guide how we learn, work together and contribute to our school community. We encourage students to demonstrate these values in their classrooms, on the playground and in their interactions with others.

Together, we will continue to uphold high expectations for learning, behaviour and relationships, ensuring every student feels safe, supported and ready to learn.

Thank you to our families for your ongoing partnership and support. I look forward to a wonderful Term 4.

Wellbeing

Attendance (again!)

We know attendance gets a lot of airtime in our , but that's because it really does matter!

Our shared **goal at Glengala is 90% attendance or higher** for every student. Let's keep working together to make this happen.

A little motivation:

Every fortnight, students with 90% attendance or higher go into a raffle to win a lunch order voucher drawn at assembly.

Going away with family? Please let us know so we can prepare some learning activities for your child to complete while they're away.

Congratulations 3/4 who earned the most dojo points over the last 2 weeks with – 1450 points!

Kindergarten

Our imaginative play area has been transformed into a little sushi shop, inspired by the children's curiosity, creativity and love of exploring the world around them!

To bring our sushi shop to life, the children had the wonderful opportunity to make their own sushi, exploring different ingredients, practising new skills and getting hands-on with the process

Curriculum

In Inquiry, 2/3A has been learning about the forces of push and pull. This week, we are investigating about how changing the strength of a force affects the movement of objects. Here are pictures of the students making predictions about what will happen to the toy car once placed into our car launcher which we will be making in class.

The Great Holiday Reading Challenge

Kristy challenged our students to read more books than her over the break. Here are some of our team getting into the challenge at home and with their own children over the break.

The big question is... did our students manage to beat Kristy?

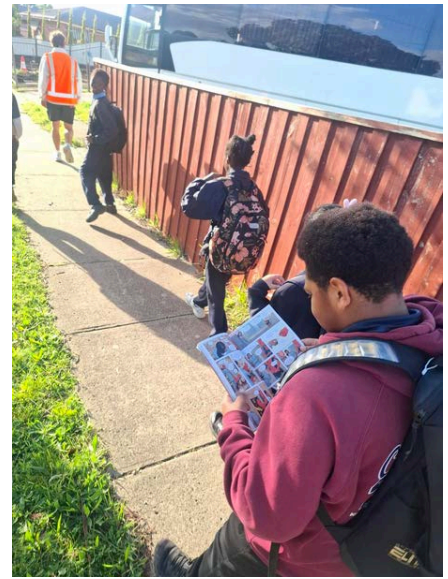

Celebrations

Walking School Bus

Our Walking School Bus has been a real success, and we're loving starting the day with a walk to school together! Fresh air, friendly faces and a little movement before learning.

Leslie even managed a quick read along the way – two challenges in one!

Want to join the fun? We'd love to have more families come along! Everyone is welcome, so come and walk with us!

KELLY CLUB GLENGALA UPDATE

Dear Kelly Club Glengala Families, thank you for another wonderful week at Kelly Club! ❤️

Week 2 – European Adventure! 🌍

Our second week of Term 4 took us on an exciting European Adventure filled with creativity, discovery and active play! The children explored Pointillism Painting, put their problem-solving skills to the test by learning about the Leaning Tower of Pisa, and enjoyed energetic games, including chariot racing and a multi-sport challenge. Our little chefs also got creative in the kitchen, making delicious chocolate croissants. It was a wonderful week of learning about different places, developing new skills and sharing fun experiences with friends!

Week 3 – Monster Mash! 🧛‍♂️

Get ready for a monstrously fun week at Glengala Kelly Club! **Our Monster Mash** theme invites children to explore their creativity through **yarn-wrapped monster crafts**, enjoy an energetic **Monster Mini Marathon** and take part in our exciting **Feed the Monster game**. Budding scientists will experiment with making **Monster Slime**, while our little chefs will finish the week by creating delicious **Monster Pancakes**.

Kelly Club+ Street Eatz – Cook, Create, Connect! 🍴🌍

This term, our children have chosen **Street Eatz** as their Kelly Club+ adventure! Inspired by the vibrant street food markets of Asia, our young chefs will explore Vietnamese cuisine through exciting hands-on cooking and baking experiences every Wednesday. Our delicious menu includes 🍜 **Brilliant Bánh Mi**, 🍜 **Phenomenal Phở**, 🍷 **Fluffy Pandan Waffles** and 🍜 **Magnificent Mung Bean Dumplings!** We'll also work towards our exciting finale, the **Saigon Night Market**, celebrating the dishes and skills we've explored throughout the program. Along the way, children will discover new flavours and ingredients, develop their kitchen confidence, practise teamwork and celebrate the joy of sharing food with friends. We can't wait to see our little chefs cook, create and connect! 🍴💖
